I submit there is probable cause to believe that on February 10, 2020, he did knowingly and intentionally attempted possession with the intent to distribute 100 grams or more of a mixture containing a detectable amount of heroin in violation of Title 21 United States Code, Section, 846, 841(a)(1) and (b)(1)(B). RELEVANT FACTS

3. On January 3, 2020, Postal Inspectors received information from Coast Guard Investigation Service (CGIS), regarding narcotics being shipped from Coos Bay, OR to Sitka, Alaska.
4. On January 31, 2020, Postal Inspection Service identified a parcel addressed from "Morgan P.O. Box 6457 Sitka, AK 99835" being suspicious through the research of postal databases. The parcel was located on February 3, 2020. A canine exam occurred at the Postal Inspection Service Office in Anchorage, Alaska at approximately 1:41 PM on February 4, 2020. The canine indicated and exhibited a change in behavior consistent with the presence of an odor of a controlled substance the canine is trained to recognize. On February 5, 2020, at approximately 11:00 AM, federal search warrant 1:20-MJ-00008-MMS was executed on the Subject Parcel. The Subject Parcel was found to contain two magazines with \$8,650 in US currency located inside of it.

5. On February 5, 2020, I contacted the Sitka Post Office regarding "P.O. BOX 6457." The Postmaster provided me P.O. BOX information for Box 6457. The information stated that Robbie Morgan rents "P.O. Box 6457" in Sitka, Alaska.
6. On February 6, 2020, Postal Inspectors identified a parcel as being suspicious through the research of postal databases. The Parcel was from "North Bend, OR," address to "Rob Morgan P.O. BOX 6457 Sitka AK 99835." The Parcel was located on February 9, 2020, at the Sitka Alaska Post Office. (Herein referred to as the Subject Parcel.)
7. On February 9, 2020, at approximately 12:40 PM, federal search warrant 1:20-MJ-00010-MMS was executed on the Subject Parcel. The Subject Parcel was found to contain approximately 264 gross grams of a hard, dark-colored substance which field-tested positive for heroin packaged inside two HD Design Candles. Based on my training and experience, as well as that of the other agents investigating this case, this amount of heroin possessed, is consistent with intent to distribute.
8. As a result of the seizure on February 10, 2020, Order Number 1:20-MJ-00011-MMS was obtained from a United States Magistrate Judge authorizing the installation and monitoring of an electronic alerting device and electronic tracking device in the Subject Parcel and recovery of these devices by entry of premises where the parcel is opened.
9. Law enforcement officers removed the original narcotics and inserted representative sample of Heroin product into the parcel along with two

tracking and monitoring devices. One monitoring device was placed so it would emit a break-tone signal upon opening of the exterior box of the parcel.

In addition one GPS tracking device had the representative samples of the seized Heroin, taped to it and was placed inside the Subject Parcel.

10. At approximately 12:15 PM on February 10, 2020, a Postal Inspector and Drug Enforcement Administration (DEA) agent, placed the Subject Parcel in a parcel locker at the Sitka Post Office in Sitka, Alaska. A Postal Inspector then placed the key from the parcel locker into the Robbie Morgan's PO BOX of 6457.

11. Surveillance teams set up around the Sitka Post Office address of "1207 Sawmill Creek Rd, Sitka Alaska" and monitored the GPS tracking and the monitoring device. Surveillance teams witness a male individual drive up and enter the Sitka Post Office. At approximately 1:26 PM the male individual open and removed the parcel locker key from PO BOX 6457. At approximately 1:30 PM, a male individual removed the Subject Parcel from the parcel locker. At approximately 1:32 PM, the male individual exited the Post Office with the Subject Parcel in his hand. Federal Agents made contact with the male individual and place him into custody. The male individual was later identify as Robbie Morgan.

12. With the information above, Alaska State Trooper were granted a Search Warrant for Robbie Morgan residence located at "1209 #K Sawmill Creek Road, Sitka Alaska."

13. While executing the search warrant, agents and officers encounter a female

individual, who stated Morgan had sold her methamphetamine that morning.

Moreover, agents and officers located and seized approximately 33.7 gross grams of a white/clear crystalline substance which field tested positive for methamphetamine, 9.3 gross grams of a hard, dark-colored substance which field-tested positive for heroin and a digital scale. Agents and Office located tracking information for the Subject Parcel and a parcel with suspected narcotics proceeds.

14. On February 11, 2020, while transporting Morgan to federal custody, an FBI agent asked Morgan "how he slept", Morgan replied "was going to be sick for a week." He then stated, "That is what makes you do stuff like this."
15. Based on my training and experience as a Postal Inspector and the aforementioned factors, I believe the foregoing establishes probable cause to believe that Robbie Keith Morgan did knowingly and intentionally attempted to distribute 100 grams or more of a mixture containing detectable amount of heroin in violation of Title 21 United States Code, 846, 841(a)(1) and (b)(1)(B).
